

Testimony of Anthony Perrelli
IN FAVOR OF RAISED BILL NO. 5511
For Judiciary Committee Hearing

I support **Raised Bill No. 5511** except for the inclusion of the changes suggested to Section 47-261 (e). Any removal or changes made to the existing language would seriously undermine the integrity of our common interest communities.

Thank you,

A handwritten signature in black ink that reads "Anthony Perrelli". The script is cursive and fluid, with the first name and last name clearly legible.
